Making Strides Moving Muscles  
#TEAMCAPRI #cureFA

Please join us for our 4th annual fundraiser  
Muscle Skate hockey game  
Making Strides Moving Muscles  
to help raise Awareness & Support research for  
Friedreich's Ataxia (FA)

A debilitating, life altering, degenerative, neuromuscular disorder

In honor of Adriana & Luca Capri

Adriana has lost most of her ability to walk since diagnosed 6 years ago

And her little brother Luca was recently diagnosed with FA

Currently there is no cure

FA is one of the various neuromuscular disorders under Muscular Dystrophy

NY Islanders Alumni and NY Rangers Alumni are teaming up with  
dad Lenny Capri & younger brother Lenny Jr.

AJ Congero & friends for an exciting hockey game fundraiser to help  
Support a worthy cause.

Come watch a great hockey game, raffles and more...

Admission is free ~donations in any amount at the door

Thank you #TEAMCAPRI #cureFA
